Beth Ericksen
Mining Engineer
Utah Division of Oil Gas & Mining
1594 West North Temple Street
Salt Lake City, Utah 84114

Dear Ms. Ericksen,

Enclosed are two copies of the revisions corresponding to the second review of the Notice of Intention to Commence Large Mining Operations for the Ash Grove Cement Company's proposed Navajo Sandstone Mine. This submittal includes a copy of the second review letter, form MR-REV, and the revisions to the mining plan document. The revisions listed in form MR-REV have been made in redline/strikeout format, and only the replacement pages are included in this submittal.

Please let me know if there is anything else that you need, or have any questions. I can be reached at (801) 561-1555, or at amenitove@earthfax.com.

Regards,

Ari Menitove
Geological Engineer
